SUMMARY

I am a Frontend Developer specializing in React.js, with a passion for building fast and clean user interfaces. My experience includes collaborating closely with backend teams to ensure seamless API integration. Skilled in Next.js, Express.js, and Firebase, I strive to write maintainable code that enhances user experiences. My goal is to continuously improve and deliver high-quality applications.

EXPERIENCE

React Developer

Bytsmartz

11/2025 | Not specified

Company specializing in software solutions

- Collaborated with backend developers to integrate RESTful APIs and provided development support on an Express.js project
